Good news about the Chemo Chair Project!

Sisters and Brothers,

I am happy to report to you that the chemo chairs have been purchased by the B.C. Cancer Agency, with the funds that were donated by our members and by friends of Betty Henderson. It was her goal to raise money to purchase one chair. The amount of \$11,104.00 was raised and that would have purchased four chairs at the price quoted to us. The buyers at the B.C. Cancer Agency were able to purchase six chairs at a better price through a different supplier.

Three chairs are going to Vancouver, two to Abbotsford and one to Victoria.

There was also an anonymous donor who purchased an additional chair last June. That chair went to Surrey (Fraser Valley Cancer Centre)

These chairs were purchased in Memory of Betty Henderson, former Director of Cancer Activities.

Thank you all

Margaret Caswell
Director of Cancer Activities
