RE: Donations to the Cancer Fund

Sisters and Brothers:

The donations to Cancer have seriously diminished making us unable to support the Cancer projects in the way we would like. This year limited funds are available for the annual "Wish List".

Quoting from the Constitution and Laws, "Pursuant to a resolution passed at the 37th Annual Session of Grand Chapter in 1948 the specified objective of this Grand Jurisdiction shall be the support of Activities for research, prevention and assistance in the alleviation of cancer..."

We are proud of this very worthy project but as membership decreases so do the donations and with other charities added, the piece of the pie is much smaller.

As Director of Cancer Activities, I am asking that as you and your Chapter consider year end and future contributions you remember Cancer is our main project.

Fraternally and with Star Love
Margaret Caswell
Director of Cancer Activities

Worthy Grand Matron
