

RESOLUTION FOR GRAND CHAPTER 2018

PURPOSE - To reduce the size of Committees in Grand Chapter

Be it resolved that the following changes be made to our Constitution and Laws -

STANDING COMMITTEES - Section 29 - t

Section which currently reads: Grand Chapter Revenue Committee shall consist of five (5) members, the Chairman to be appointed by the Worthy Grand Matron, three (3) members shall constitute a quorum.

The proposed change is to reduce the number of members on the committees.

The section would then read: Grand Chapter Revenue Committee shall consist of three (3) members, the Chairman to be appointed by the Worthy Grand Matron.

Reason for the change - Membership in our Order has decreased making it increasingly difficult to fill the positions.

If a quorum of three is enough to conduct the committee business, then there should only be three members on the committee.
