

RESOLUTION FOR GRAND CHAPTER 2018

PURPOSE - To reduce the size of Committees in Grand Chapter

Be it resolved that the following changes be made to our
Constitution and Laws -

STANDING COMMITTEES - Section 29 - f.

Section which currently reads: The Committee on Grievances and
Appeals shall consist of five (5) members ...

The proposed change is to reduce the number of members on the
committees.

The section would then read: The Committee on Grievances and
Appeals shall consist of three (3) members ...

Reason for the change - Membership in our Order has decreased
making it increasingly difficult to fill the positions.

Three members should be enough to conduct
the committee business.
